OFFICE OF THE GOV
STATE OF MONTANA

MARC RACICOT
GOVERNOR

STATE CAPITOL
HELENA, MONTANA 59620-0801

Dear State Employee:

After 22 years of state employment, and as I look forward to possibly my last, I want to take this opportunity to thank all of you who have assisted me along the way. Some of you have provided me with an education in the way your corner of government works. Some of you have also taught me ways that government could work better for all Montanans. All of you have been a blessing in my life.

In working with so many of you, we have come to know one another very well. If we look around our offices, we can probably recite the names of children of those we work with. We know one another's hobbies and even some of the hopes and dreams that we, individually, are working to achieve.

The pictures of fellow state employees and their families on the cover reminds me that the term "state employee" falls far short in describing the capabilities and commitment that each individual in state government brings to their job.

State jobs that contribute to our families' well being, are sometimes the only resort, or even a last resort for a fellow Montanan in trying to meet their own needs. We know that our work can make a meaningful difference --for ourselves, our neighbors and the state we love.

As we receive the 2000 State Government Telephone Directory, we realize we have before us a new century with new challenges and new opportunities in state government. Thank you for the opportunity to share them with you. I am proud to be associated with such a dedicated and hard working group of people. Thank you for your uncommon and unflagging effort.

Sincerely,

MARC RACICOT
Governor

STATE TELEPHONE NETWORK (STN) USAGE

The state's telecommunications facilities are provided for the conduct of state business. In addition to state business, the state's telecommunications facilities may be used by state employees and officials for local and long distance calls to latch-key children, teachers, doctors, day care centers, baby sitters, and family members to inform them of unexpected schedule changes and other essential personal business. The use of the state's telecommunications facilities for essential personal business must be kept to a minimum and not interfere with the conduct of state business. Essential personal long distance calls must be collect, charged to a personal third-party number, or charged to a personal credit card.

The state's telecommunications facilities include any state-owned, leased, contracted for, operated, or maintained telecommunications equipment, services, or facilities, including private branch exchanges, telephone key systems, teleconferencing systems, local and long distance telecommunications circuits, cellular telephones, data communications equipment, video capabilities, land mobile radio equipment, telephone credit cards, facsimile equipment, and voice mail.

All in-state and out-of-state calls made on the State Telecommunications Network (STN) are billed to the originating state telephone number.

TROUBLE REPORTS

Report telephone service or equipment trouble conditions to 444-4455. There is no charge for repairs unless work is performed after normal business hours. Report data network or LAN problems to 444-2000.

Report Cellular telephone service or equipment trouble conditions to 800-473-2946 Ext.3

GENERAL INFORMATION

STATION ADD/MOVE/CHANGE REQUESTS

Telephone Service Request (TSR) forms are required for installation, modification, removal, or other changes to your service. Requests must be submitted through your telephone coordinator. TSR's should be submitted to the Telecommunications Operations Bureau at least 15 days prior to date of change. This will allow both technical and financial options to be reviewed and ensure accurate processing of the service request.

Telecommunications technicians are the only authorized personnel having permission to unplug, plug in, move, and take apart telephone equipment, modular cords, and jacks. Conduit or raceway is required for all new telephone jacks.

CONFERENCE CALLS

There are five ways in which conference calls can be made:

- 1) Single-line phones can be used to set up a three-party conference call: Call the first party, and when they are on the line, flash the hook switch; after the three beeps and dial tone, dial the second party; announce the conference; flash the hook switch to connect both to you.
- 2) Multi-line sets can be used to set up a six-party conference; however, the conference is limited to three off-capitol complex conferees in the following manner: Call the first party, and when they are on the line, press the Conf 6 button; after the three quick beeps and dial tone, dial the second party; announce the conference; press the Conf 6 key again to connect all three of you; repeat for the additional calls.
- 3) Purchase a speaker phone attachment for your electronic (SL-1) telephone. This speaker allows people in your office to hear the conversation. You can make one call or conference in up to five additional calls on the phone. Your telephone coordinator will assist with this.
- 4) For larger rooms and more people participating, borrow a teleconference unit from the Telecommunications Operations Bureau (call 2586) to be used in your office or a conference room on the capitol complex (you must use a single-line jack). The instructions for use are included with the equipment. This system works well when a group of people in a room want to talk to one person off campus, such as during a job interview. A large speaker sits in the center of the table so that all people can participate in the conversation.
- 5) A Meridian Integrated Conference Bridge (MICB), 50 ports, located in the Mitchell Building Capitol Operator Station offers three types of calls: (1) MEET- ME - all participants call either a toll-free or local calling number at a pre-designated time and are automatically connected to the conference; (2) GROUP CALL-OUT - the conference chairperson calls into the conference bridge and by manipulating a code on the telephone pad, initiates the conference bridge to dial out to the conferees; or (3) OPERATOR ASSISTED -all persons involved are called by the operator, the chairperson first, and conferenced together one at a time. To schedule a teleconference call 444-2586.

See following page for usage and setup charges.

Conference calls using the bridge should be scheduled with as much advance notice as possible. Changes to your teleconference may be made up to 60 minutes prior to the scheduled start time.

GENERAL INFORMATION

ISD has added 800 Toll Free Calling capabilities to the conference bridge to support multi-party conference requirements. Meet-Me conferences using the new 800 services will be charged \$0.11 per minute for each 800 line requested. Toll charges for Operator Assisted and Group Call-Out conference are based upon the state's current long distance calling rate of \$0.14 per minute for all long distance connections.

SETUP CHARGE. Based on the number of participants per conference, the following setup charges will apply.

<u>Number of Participants</u>	<u>MEET- ME</u>	<u>GROUP CALL-OUT</u>	<u>OPERATOR- ASSISTED</u>
1 to 5	\$10.00	\$15.00	\$20.00
6 to 10	\$20.00	\$25.00	\$30.00
11 to 15	\$30.00	\$35.00	\$40.00
16 to 20	\$40.00	\$45.00	\$50.00
21 to 25	\$50.00	\$55.00	\$60.00
26 +	\$60.00	\$65.00	\$70.00

LONG DISTANCE COSTS

All long distance invoicing is prepared by the State Telecommunications Operations Bureau in Helena and then

GENERAL INFORMATION

distributed and billed to various agencies monthly.

State long distance direct dialed intra-state and inter-state calls are billed at \$0.14.5 per minute days and \$0.10 per minute nights, weekends and holidays. State 800 calls are billed at \$0.11 per minute. State international call rates you may call 444-2586. Credit card calls are discounted 25% of SPRINT rates.

TELEPHONE CALLING CARDS (Business Only)

Credit cards are distributed by the Telecommunications Operations Bureau. Contact the Telecommunications Operations Bureau at 444-2455 with your questions. Requests for credit cards should be submitted through your agency telephone coordinator to the Telecommunications Operations Bureau. Invoicing is included on the State Telecommunications long distance telephone bill.

TO USE THE SPRINT VPN FONCARD CREDIT CARD (gold State of Montana logo in the upper left-hand corner):

IN-STATE: Dial 800+877-8000, receive dial tone, dial 0+406 plus the 7-digit number you are calling, then enter credit card PIN number when prompted by the tone.

INTER-STATE: Dial 0+800-877-8000, receive dial tone, dial 0 plus the number you are calling (including area code), then enter credit card number and PIN number when prompted by the tone.

INTERNATIONAL: Dial 8+1+800+877+8000, listen for tone. Dial 01 + country code + city code + local number, then enter credit card number and PIN number when prompted by the tone. Please remember that not all international calls can be directly dialed, so you must call the Sprint operator. Your credit card will also work from a foreign country to the USA.

To make more than one call, do not hang up after the first call; press the # button for 2 seconds and enter the next number you wish to call; there is no need to re-enter your card number.

TELEPHONE DIRECTORY CORRECTIONS

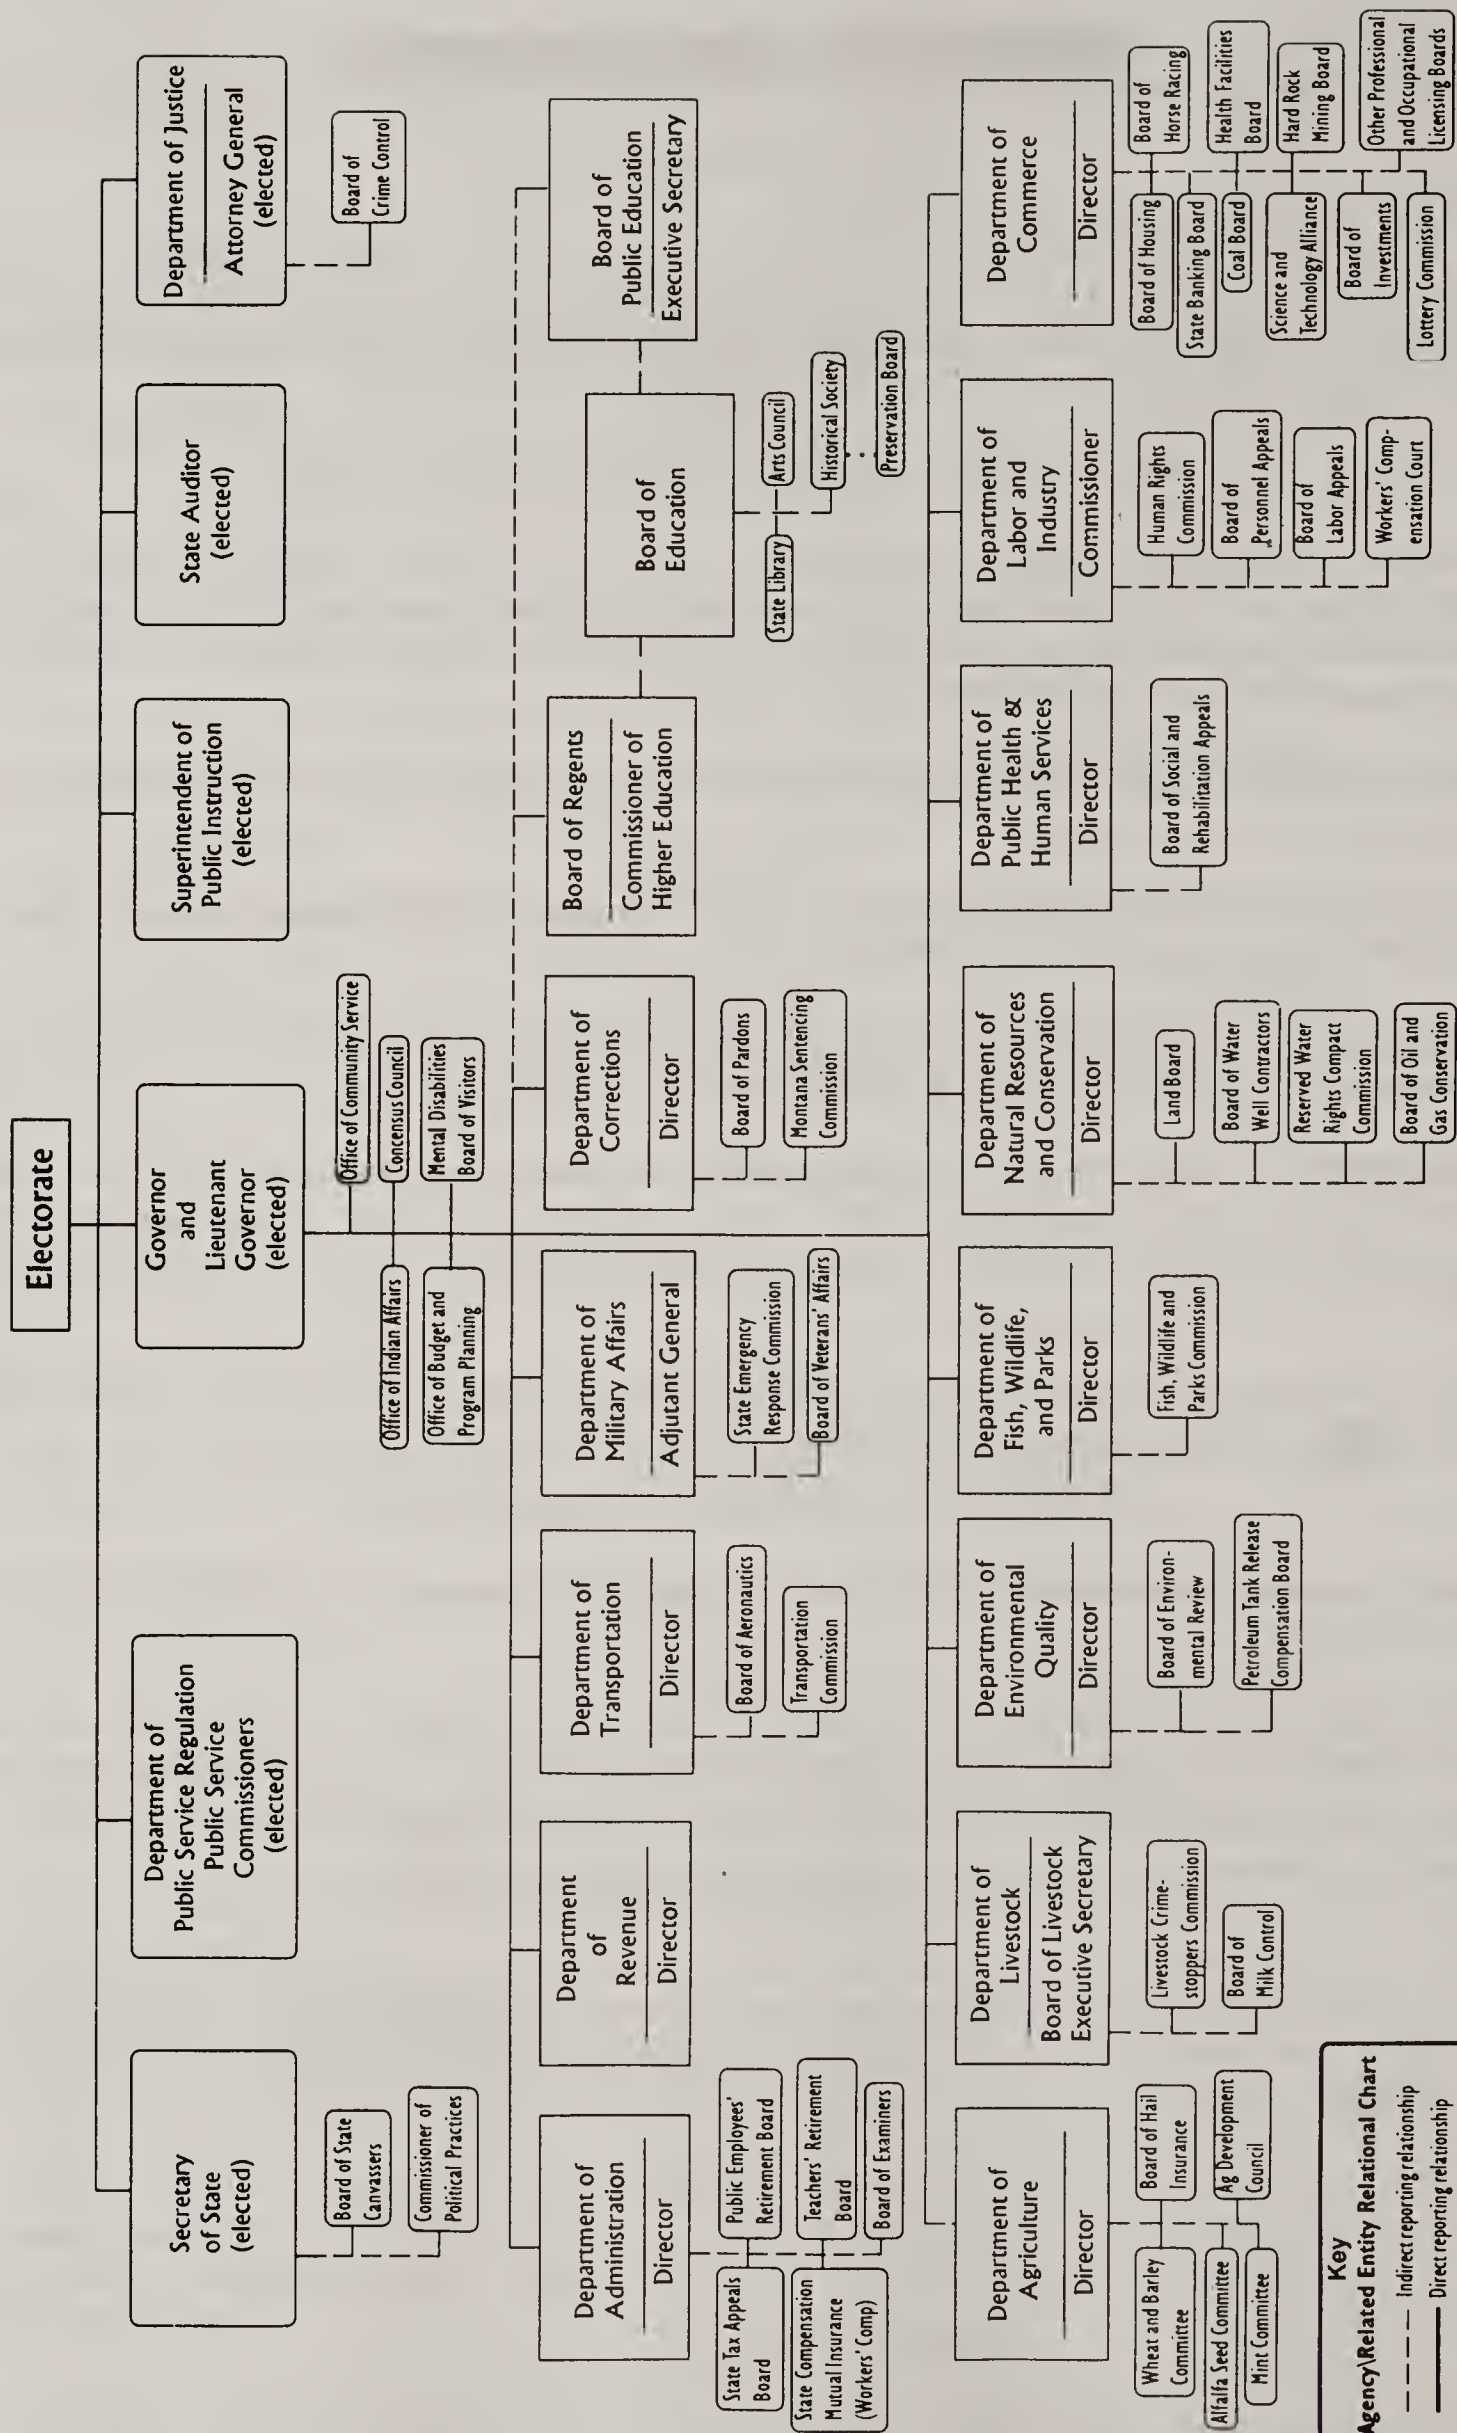

Telephone System Information and Departmental Listings - Call or write to the Telecommunications Operations Bureau, 444-2586.

Individual Listings and Staffing by Department - Request your agency telephone coordinator submit the Personnel Directory Form to the Telecommunications Operations Bureau. The corrections will be entered in the telephone operator's computerized directory immediately and be used to update the printed directory.

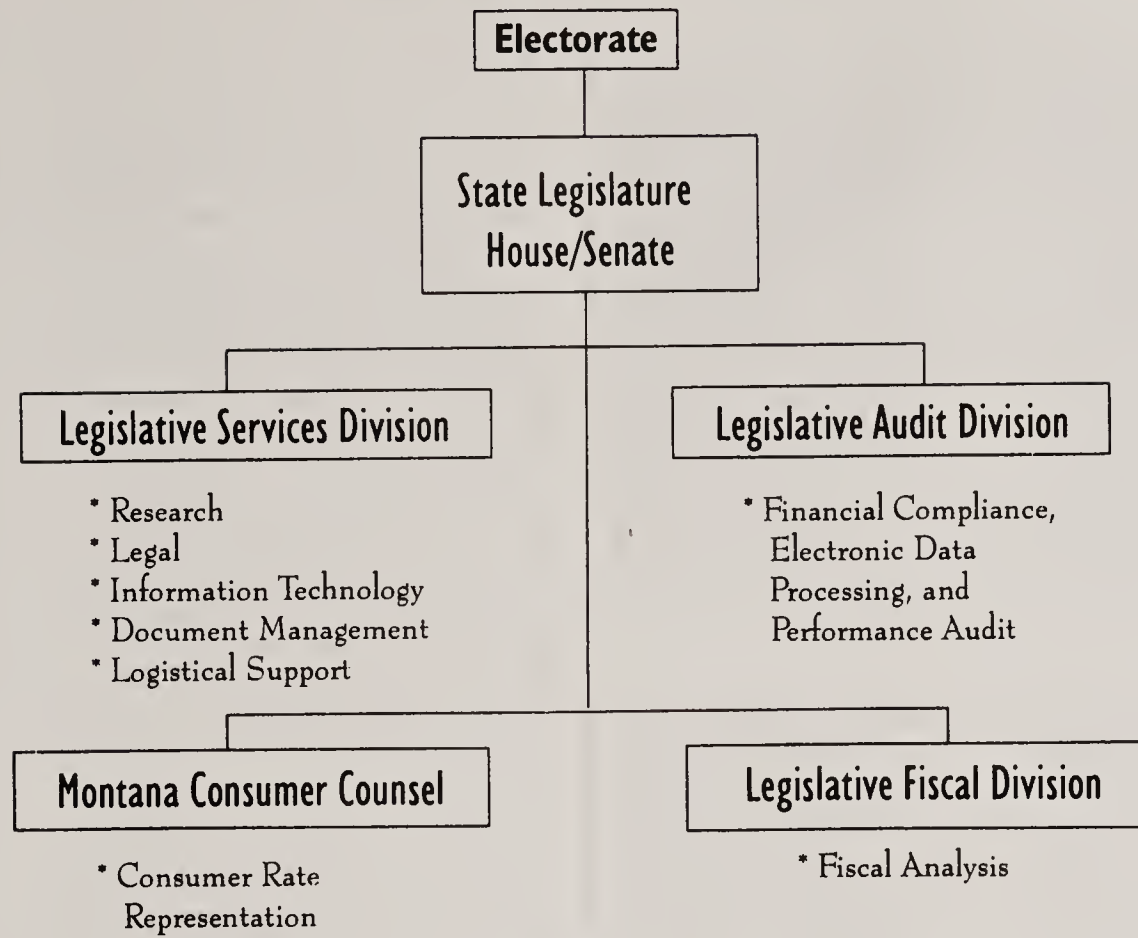

CAPITOL COMPLEX INFORMATION

This directory is published by the Telecommunications Operations Bureau. If you have any questions, please call 444-2586. The state government operators handle capitol complex information and will connect callers to the proper agency. The hours are 7:30 a.m. to 5:00 p.m., Monday through Friday; closed weekends and holidays.

All state government officials and employees are eligible for library services to meet your work related information needs.

MSL maintains a comprehensive collection of state agency publications. Selected federal documents are also collected and maintained for your use. Over 400 scientific and technical journals provide coverage of current issues in agriculture, commerce, economics, environmental technology, governance, natural resource management, political science, social services and zoology.

Mediated literature searches on more than 450 databases are available from information specialists.

Full text articles from more than 2000 journals are available online, from your desktop, through the Library's subscription to Info Trac. Assistance with using this service is available by calling 444-5351.
